Category:
Games

Age group:
5+

Keywords:
Game, Ice Cream, Monsters, Tower Defense, Turret Defense, Towers, Turrets, Defense

Description:

Monsters Love Ice Cream is a game about defending an ice cream store from wave after wave of ice cream loving monsters. Use a variety of turrets to delay and defeat the monsters as they swarm towards your beloved ice cream store. Most of all, beware of the giant boss monsters that occasionally come out to satisfy their sweet tooth. If you can manage to defeat these giant monsters, you may be able to bribe them with ice cream and get them to join your side!
